

Danique Jones-Rhule

Full Stack Developer (Django | JavaScript | React)

London, UK

07459-517-418 / daniquejr18@gmail.com / [Portfolio Website](#) / [LinkedIn](#) / [GitHub](#)

PERSONAL PROFILE

Full Stack Developer with a diploma in Software Development and hands-on experience building web applications using Django, JavaScript, and modern APIs. Proven ability to deliver complete projects from concept to deployment, including payment integration (Stripe), map-based features, and full CRUD functionality. Strong problem-solving skills developed through 6 years in customer service leadership roles. Seeking a junior developer position to contribute technical skills and continue growing in software development.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, Bootstrap
- **Backend:** Python, Django
- **Database:** PostgreSQL, MySQL
- **Tools & Deployment:** Git, GitHub, Heroku
- **APIs:** Stripe, Google Maps/Places

EDUCATION AND TRAINING

Oct 2024 – Oct 2025

Code Institute

Full Stack Software Developer Skills Bootcamp
