

Danique Jones-Rhule

Junior Developer (Django | JavaScript | Python)

London, UK

07459-517-418 / daniquejr18@gmail.com / [Portfolio Website](#) / [LinkedIn](#) / [GitHub](#)

PERSONAL PROFILE

Full-stack developer with hands-on experience creating web applications using Python, Django and JavaScript. Recently completed a Level 5 Diploma in Web Application Development with 4 shipped portfolio projects including e-commerce platforms, messaging systems, and API integrations, all with strong UI. Brings strong problem-solving and communication skills from 6 years in customer service leadership. Seeking a junior developer role to contribute to a collaborative engineering team while continuing to grow technical skills.

DEVELOPER TOOLS

- **Languages:** Python, JavaScript, HTML5, CSS3
- **Frameworks & Libraries:** Django, Bootstrap
- **Databases:** PostgreSQL, MySQL
- **APIs & Integration:** Stripe API, Google Maps API, RESTful APIs
- **Tools & Workflow:** Git, GitHub, Heroku, Linux CLI
